

+/-30cm

TG-7R

Feature

- ▶ IP65 Waterproof, Dustproof and Vibration-proof design
- ▶ 7" Sunlight Readable Display
- ▶ RicoFeildNav Parallel Guidance Software
- ▶ GPS, GLONASS, GALILEO smart antenna with +/-30cm pass to pass accuracy
- ▶ Guidance modes: AB Line, AB Curves, Pivot and adaptive curve
- ▶ Multiple boundary
- ▶ Insert obstacle
- ▶ Setup speed limits alerts and change the color of tracking
- ▶ Setup machine width and offset
- ▶ Export maps to .shp and .kml formats

Accessories Included

Ideal for entry level Gps guidance for grassland fertiliser spreading

Feature

- ▶ The Tractor GPS Screen Kit with external Roof mounted antenna.
- ▶ Cigarette lighter power supply included.
- ▶ Android based for use with pre-loaded third party navigator App.
- ▶ Field navigation in real time via Google Maps.
- ▶ Field Measuring and Field Navigation
- ▶ The 800nits brightness display is visible under sunlight

Feature

- ▶ IP65 Waterproof, Dustproof and Vibration-proof design
- ▶ 10.1" High Quality Display
- ▶ Parallel Guidance Software
- ▶ RTK 2.5cm Accuracy
- ▶ Auto-Steering
- ▶ Support Base station/NTRIP communication
- ▶ Wifi/4G Network Connectivity
- ▶ Dual Antennas for high accuracy and heading

Technical Specification

General	Display	10.1" (16:9) IPS 1024x600 pixel
	Touch Panel	Capacitive
	Size	151* 257* 43(mm)
	IP Rate	IP65
System	Operation System	Android OS
I/O	GNSS Antenna Connectors	●
	Wifi/4G Antenna Connectors	●
	Camera Connectors	●
	Connectors	●
Function	Bluetooth	●
	Wi-Fi	●
	4G Network	support Unicom, Telecom and Mobile
Power	Operation Voltage	DC 9-36V
	Battery	○
Camera	External DVR Camera	●

Note: ● means included, ○ means not included.

What's included

NAME	QTY	NAME	QTY	NAME	QTY
Base station	1	On-board computer	1	4G antenna+3m feeder	1
Base station transmitting antenna	1	Power cable	1	WIFI antenna	1
Base station support rod	1	Car computer bracket	1	Electric steering wheel	1
Tripod spacer	1	One to two adapter cable	1	Motor wire	1
Base station power cord	1	One to four adapter cable	1	Motor bracket	1
Car radio antenna (spiral)	1	High-precision satellite antenna	2	Steel hoop (set)	1
Pipe digital transmission antenna feeder (4m)	1	Satellite antenna column	2	Square gyroscope	1
Two-hole insulation strip	1	Satellite antenna feeder(5m)	2	Angle sensor	1
Fuse(30A)	2
